

# Special World Choral Day 2022: Sing for Peace, Choirs of the World!

This year, the World Choral Day invites you to participate in this global event throughout the month of December 2022. Galvanized by our solidarity with all who are impacted by aggression and hostilities around the world, we call upon the global choral community to raise their voices to **Sing for Peace**. Join this special edition of World Choral Day, an IFCM annual international choral project, to uphold and defend the values of unity, peace, and understanding!

We encourage the participation of the millions of singers worldwide who have contributed previously to the World Choral Day and extend a warm invitation to those who are joining us for the first time. Share your voice through collective singing to show the world that singing together with love and compassion is one of the most powerful tools we can use to achieve peace!
